

Dear Parents:

Some things you can do to help your student be successful are . . .

- 1. Discuss what they have learned in class each day.**
- 2. Quiz them on the subjects they are learning.**
- 3. Encourage them to read their books or notes for at least 10 minutes each night.**
- 4. Get to know their teacher.**
- 5. Visit the school to get to know more about your student's life.**
- 6. Come to Parent/Teacher Conferences.**
